

STATE OF NEW YORK
PUBLIC SERVICE COMMISSION

CASE 22-T-0157 - Application of Anbaric Development Partners, LLC Pursuant to Public Service Law Article VII for a Certificate of Environmental Compatibility and Public Need for the Juno Power Express Electric Transmission Facility.

NOTICE INVITING PUBLIC COMMENT AND
ANNOUNCING PUBLIC STATEMENT HEARINGS

(Issued April 6, 2023)

Public comment is sought regarding a request by Anbaric Development Partners, LLC (Anbaric), to construct, own, and operate the New York State components of the Juno Power Express Electric Transmission Facility (the Project).

As proposed, the Project would import power produced by an offshore wind generator constructed in federal waters of the Atlantic Ocean into the New York transmission system at the Long Island Power Authority Ruland Road Substation in the Town of Huntington, Suffolk County. More specifically, the Project would consist of: (1) a high voltage direct current (HVDC) submarine cable and a submarine fiber optic cable extending approximately 7.7 miles in New York State waters with landfall at Jones Beach State Park; (2) approximately 17.9 miles of terrestrial HVDC underground cable and fiber optic cable; (3) underground transition vaults; (4) a temporary gravity cell at landfall to facilitate horizontal directional drilling installation; (5) a converter station that will convert power from HVDC to high voltage alternating current (HVAC); and (6) approximately 0.6 miles of HVAC underground land cable connecting the converter station to the point of interconnection at the Ruland Road Substation.

Prior to beginning construction of the Project, Anbaric must first obtain a Certificate of Environmental Compatibility and Public Need from the Public Service Commission (Commission) pursuant to Article VII of the Public Service Law. Under New York State Law, the Commission may adopt or reject Anbaric's proposal, in whole or part,

or modify it. In doing so, the Commission will consider input from the participating parties and the general public. An Administrative Law Judge (ALJ) is presiding over the gathering of public comments and all evidence related to the Project. As indicated below, public statement hearings will be held to obtain comments from the public concerning Anbaric's proposal.
